

Findley Lake

Watershed Foundation

lake stewards since 1949

March 10, 2010

Dear Findley Lake Property Owner:

I hope this letter finds you and your family healthy and warm. This year we are requesting that all property owners become members of the Findley Lake Watershed Foundation with a minimum payment of \$125 by April 1, 2010.

The FLWF is an integral part of our community through all the tasks and projects that we undertake. Throughout our organization's history we have always worked diligently to keep Findley Lake a beautiful natural resource for all to enjoy. Please keep in mind that we remain as the sole organization whose primary mission is to maintain a dean and healthy lake and are funded primarily through membership and donations.

Some of our recent accomplishments:

- Successful weed harvesting
- Fall removal of 360 stumps (total removed - over 600)
- Small Island clean up and rebuild - planting to come this spring!

This year we are going paperless. Please go to the website (<http://www.findleylakewf.org>) for any information and updates. We will email you all further correspondences. If this is a problem, please let us know.

Please complete the application below and return to me in the envelope provided. Please email me if you have any questions or concerns. I wish you a safe winter season and look forward to seeing you this spring.

Sincerely,

Marci Schwab- marcischwab@gmail.com
